

MOBILE DEPOSIT

Easy, fast, secure

What is Mobile Deposit?

The Bank of Elk River's Mobile Deposit is a way to electronically deposit checks into your Bank of Elk River deposit account(s) from your mobile device using The Bank of Elk River's Mobile Banking app.

Download the latest app from the Google Play™ store or iTunes App Store®. Just log in and follow the instructions under "Deposit."

Mobile Deposit

What checks can be deposited?

- Checks payable to you as the account holder
- Checks payable in U.S. dollars and drawn at any U.S.-based bank

What checks are NOT eligible for mobile deposit?

- Checks payable to others
- Checks more than six months old
- Travelers checks, savings bonds, and money orders

What are the deposit cutoff times?

Deposits received and approved by 4:00 PM will be credited on the same day.

How do I endorse my check?

The endorsement area will need your signature along with the phrase “For Mobile Deposit only” and your account number.

When do I dispose of my checks?

After a check has posted to your account, mark the check as ‘Electronically Presented’ and properly dispose of the check after you have confirmed that the check has cleared.
